This litigation (the “Action”) is a consolidated action in which Plaintiffs allege that Defendants breached fiduciary duties owed to the participants in and beneficiaries of the Plan under the Employee Retirement Income Security Act of 1974 (“ERISA”). A copy of the Consolidated Amended Complaint is available at www.berdonclaims.com. The Defendants have denied that they have violated ERISA or have engaged in any improper conduct.

SUMMARY OF SETTLEMENT

1. A Settlement Fund consisting of Three Million Dollars (\$3,000,000.00) is being paid pursuant to the Settlement Agreement.

2. The net amount in the Settlement Fund, including interest, and after payment of any taxes, expenses, approved attorneys’ fees and costs, and compensation to the Named Plaintiffs (“Net Proceeds”), will be paid to the Plan and will then be allocated to Class members according to a Plan of Allocation to be approved by the Court.

Statement of Potential Outcome of the Action

As with any litigated case, the Named Plaintiffs would face an uncertain outcome if the Action were to continue against the Defendants. Continued litigation could result in a judgment or verdict greater or lesser than the recovery under the Settlement Agreement, or in no recovery at all or a judgment or verdict in favor of the Defendants.

Throughout this Action, the Named Plaintiffs and the Defendants have disagreed on both liability and damages, and they do not agree on the amount that would be recoverable even if the Plaintiffs were to prevail at trial. The Defendants have denied and continue to deny all claims and contentions alleged by the Named Plaintiffs, that they are liable at all to the Class, and that the Class or the Plan have suffered any damages for which the Defendants could be legally responsible. Nevertheless, the Defendants have taken into account the uncertainty and risks inherent in any litigation, particularly in a complex case such as this, and have concluded that it is desirable that the Action be fully and finally settled as to them on the terms and conditions set forth in the Settlement Agreement.

Statement of Attorneys’ Fees and Costs Sought in the Action

Class Counsel in the Action will apply to the Court for an order awarding to counsel for the Named Plaintiffs attorneys’ fees not in excess of 33½% of the amount recovered in the Settlement, plus reimbursement of out of pocket expenses. Any amount awarded will be paid from the proceeds of the Settlement Fund. Defendants take no position on this application and have no responsibility for payment of such fees and expenses.

What Will the Named Plaintiffs Get?

The Named Plaintiffs named in the Action will share in the allocation of the money paid to the Plan on the same basis and to the same extent as all other members of the Class, except that, in addition, the Named Plaintiffs may apply to the Court for a case contribution award of up to \$10,000 each, plus reimbursement of the reasonable costs and expenses directly relating to their representation of the Class. Any compensation awarded to Named Plaintiffs by the Court will be paid from the proceeds of the Settlement Fund.

BASIC INFORMATION

1. Why did I get this Notice?

You or someone in your family are or may have been a participant in or beneficiary of the Plan and/or one of the Plan's predecessors or Successors.

The Court directed that this Notice be sent to you because, if you fall within that group, you have a right to know about the Settlement and all of the options available to you regarding the Settlement, before the Court decides whether to give final approval to the Settlement. If the Court approves the Settlement, and if the Settlement is upheld after any objections and appeals are resolved, the net amount of the Settlement Fund will be paid to the Plan and then allocated among Class members according to a Court-approved Plan of Allocation. This Notice describes the litigation, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court presiding over this case is the United States District Court for the Eastern District of Missouri. The people who sued are called "Named Plaintiffs," and the people they sued are called "Defendants." The Named Plaintiffs in the Action are Harold S. Croker, Jr. and Anna Bodnar. The Defendants are: KV Pharmaceutical, Melissa Hughes, Gerald R. Mitchell, Mary Ann Tickner, Marc S. Hermelin, David S. Hermelin, Ronald J. Kanterman and Richard H. Chibnall. This settlement, if approved by the Court, will resolve claims against all Defendants.

The legal action that is the subject of this Notice and the Settlement is known as Crocker, et al. v. KV Pharmaceutical Co., et al., Civil Action No. 4:09-cv-00198, in the United States District Court for the Eastern District of Missouri (the "Action").

2. What is the Action about?

The Action claims that the Defendants were fiduciaries of the Plan and violated fiduciary duties of loyalty, care and prudence under ERISA that they owed to participants in the Plan regarding the Plan's investment of assets in the stock of KV Pharmaceutical. In the Complaint, Named Plaintiffs asserted causes of action for the losses they allege were suffered by the Plan as the result of the alleged breaches of fiduciary duty by the Defendants.

Participants in the Plan were able to allocate their account balances among various investment funds. The investment funds included a fund primarily invested in KV Pharmaceutical common stock ("Employer Stock Fund").

The Complaint in the Action alleges that KV Pharmaceutical and other alleged fiduciaries of KV Pharmaceutical's 401(k) defined contribution retirement plan violated ERISA by, among other things, (1) failing to prudently manage the assets of the Plan, (2) failing to provide required disclosures to the participants and beneficiaries of the Plan and (3) failing to properly appoint,

monitor and inform other fiduciaries of the Plan. Named Plaintiffs allege that certain Defendants knew or should have known that KV Pharmaceutical stock was not a prudent retirement investment during the Class Period and that the Defendants acted imprudently by not preventing further investment in KV Pharmaceutical stock and not liquidating the Plan's KV Pharmaceutical common stock holdings. Named Plaintiffs also assert that certain Defendants violated their alleged fiduciary duties by failing to provide Plan participants with complete and accurate information about KV Pharmaceutical.

The Defenses In The Action

The Defendants deny that they have liability to the Plan or its participants or beneficiaries. If the litigation were to continue, the Defendants would raise numerous defenses to liability, including the following:

- They were not fiduciaries of the Plan, or, if they were fiduciaries, their fiduciary duties did not extend to the matters at issue in the Action;
- KV Pharmaceutical common stock and the Employer Stock Fund were at all relevant times a prudent investment for the Plan and their participants;
- To the extent they were fiduciaries as to the matters at issue in the Action, Defendants fully and prudently discharged all of their fiduciary duties imposed on them by ERISA;
- Even if they failed to discharge one or more of their ERISA fiduciary duties, any such breach of fiduciary duty did not cause the losses alleged by the Plaintiffs; and
- The relief sought by the Plaintiffs in the Action is not permitted by ERISA.

The Action Has Been Aggressively Litigated

Counsel for the Named Plaintiffs have conducted an extensive investigation of the allegations in the Action and of the losses suffered by the Plan. In addition, through that investigation and through discovery of information in the Action, counsel for the Named Plaintiffs have obtained and reviewed thousands of pages of documents, including Plan governing documents and materials, communications with Plan participants, internal KV Pharmaceutical documents regarding the Plan, SEC filings, press releases, public statements, news articles and other publications, and other documents regarding the underlying corporate issues that the Named Plaintiffs allege made investment of the Plan's assets in the Employer Stock Fund imprudent.

Named Plaintiffs' counsel opposed a motion by the Defendants to dismiss the Named Plaintiffs' claims. The Court granted that motion in an order dated March 24, 2010. Named Plaintiffs moved to reconsider such order, which motion was denied on October 20, 2010. Named Plaintiffs were in the process of appealing these orders when the parties entered into mediation resulting in the Settlement Agreement.

Settlement Discussions

The proposed Settlement is the product of hard-fought, lengthy negotiations between Class Counsel and the Defendants' counsel. Throughout the negotiations, Class Counsel and Defendants'

counsel were advised by individuals with expertise in the estimation of potential losses or damages in cases involving ERISA fiduciary liability.

3. Why is this case a class action?

In a class action, one or more plaintiffs, called “class representatives” or “named plaintiffs” sue on behalf of people who have similar claims. All of these people who have similar claims collectively make up the “Class” and are referred to individually as “Class Members.” One court resolves the issues for all Class Members together. Because the wrongful conduct alleged by Named Plaintiffs in this Action may have affected a large group of people in a similar way, the Named Plaintiffs filed this case as a class action. U.S. District Judge Carol E. Jackson is presiding over this case.

4. Why is there a Settlement?

Although the District Court granted the Defendants’ motions to dismiss, the Named Plaintiffs appealed that decision to the Court of Appeals, seeking to have that ruling reversed and the case sent back to the District Court for further proceedings and perhaps trial. However, before the Court of Appeals could decide the appeal, the Named Plaintiffs and the Defendants agreed to settle the case.

Even if they had been successful on appeal and the case was sent back to the District Court, the Named Plaintiffs would still face an uncertain outcome if this case went to trial. On the one hand, continuation of the case against the Defendants could result in a verdict greater than the Settlement. On the other hand, continuing the case against them could result in a verdict for less money than Named Plaintiffs have obtained in the Settlement or no recovery at all. Based on these factors, the Named Plaintiffs and their attorneys in this case believe the Settlement is best for all Class members.

5. How do I know whether I am part of the Settlement?

The proceeds of the Settlement will be allocated only to members of the Class, and then only according to a Court-approved Plan of Allocation.

You are a member of the Class if you fall within the definition of the Class approved by United States District Judge Carol E. Jackson:

All participants of the KV Pharmaceutical Co. Fifth Restated Profit Sharing Plan and Trust (the “Plan”) who were invested in Class A and/or Class B shares of common stock of KV Pharmaceutical in their individual accounts in the Plans at any time during the period starting on February 2, 2003 and ending on February 3, 2011, and as to each such Person, his, her, or its beneficiaries, alternate payees (including spouses of deceased Persons who were Plan participants), and Successors-In-Interest, but excluding the Defendants.

If you are a member of the Class, the amount of money you will receive, if any, will depend upon the Court-approved Plan of Allocation, described below in Section 8.

THE SETTLEMENT BENEFITS – WHAT YOU GET

6. What does the Settlement provide?

A Settlement Fund consisting of three million dollars (\$3,000,000.00) is being established in the Action. The net amount in the Settlement Fund, including interest, and after payment of, and establishment of reserves for, any taxes and Court-approved costs, fees, and expenses, including any Court-approved compensation to be paid to the Named Plaintiffs, will be paid to the Plan and, after payment of implementation expenses, the remaining amount will be allocated to the Plan accounts of members of the Class according to a Plan of Allocation to be approved by the Court. If necessary, a Plan account will be created for those members of the Class who no longer have Plan accounts.

All Class members and anyone claiming through them are deemed to fully release the “Released Parties” from “Released Claims.” The Released Parties include the Defendants, both individuals and entities, and their related entities, officers, directors, employees, attorneys, and agents. As a general matter, the Released Claims include all claims arising out of or in any way related to, directly or indirectly, any of the alleged matters during the Class Period that were or could have been asserted in the Action. This means, among other things, that Class members will not have the right to sue the Released Parties for anything related to the investment of Plan assets in KV Pharmaceutical (or its predecessors’ or successors’) stock or to other alleged fiduciary misconduct during the Class Period concerning the Plan.

The above description of the operation of the Settlement is only a summary. The governing provisions are set forth in the Settlement Agreement, which may be viewed at www.berdonclaims.com.

7. How much will my payment be?

Each Class member’s share of the Net Proceeds will be determined using a Court-approved Plan of Allocation. Because the Net Proceeds are less than the total losses alleged by the Class, each Class member’s proportionate recovery will be less than his or her alleged loss. Please note that a Participant whose recovery is less than or equal to \$10.00 would not receive any recovery. You are not responsible for calculating the amount you may be entitled to receive under the Settlement. This calculation will be done as part of the implementation of the Settlement.

If you are entitled to a share of the net Settlement Fund, you will receive a statement showing the amount of your share.

8. How will I get my payment?

You do not need to file a claim. If you are a Class member entitled to receive a portion of the Settlement proceeds and you are a current Plan participant (including a former employee with a balance in your account), your portion will be deposited in your Plan account and invested according to the current investment allocation percentages applicable to new contributions. If you are a Class member entitled to receive a share of the Settlement proceeds but are no longer a Plan participant, an account will be temporarily established for you in the Plan, and you will be notified of the account and how to withdraw the proceeds. In that case, the proceeds will be allocated in accordance with the

most recent election that the Plan has on file for you, or to the Qualified Default Investment Alternative, and you will have 90 days to provide instructions for distribution of the proceeds. If you do not provide instructions, the Plan will attempt to distribute the proceeds in accordance with your last payment instructions. If you are a former Plan participant and have not provided the Plan with your current address, please contact the Plan Fiduciary, Jennifer Anderson, at Ther-Rx Corporation, 2280 Schuetz Road, St. Louis, MO 63146, or at 314-645-6600, ext. 3158; or contact Class Counsel in writing, as listed on page 2 above.

9. When would I get my payment?

Payment is conditioned on several matters, including the Court's approval of the Settlement and such approval becoming final and no longer subject to any appeals to any court. Upon satisfaction of various conditions set forth in the Settlement Agreement, the Net Proceeds will be paid to the Plans and allocated to the accounts of Class members pursuant to the Plan of Allocation (described in the answer to Question No. 8, above) as soon as possible after final approval has been obtained for the Settlement (which, as noted, includes exhaustion of any appeals). An appeal may take several years. Any accrued interest on the Settlement Fund will be included in the amount paid to the Plans and allocated to the Plan accounts of Class members.

THERE WILL BE NO PAYMENTS IF THE SETTLEMENT AGREEMENT IS TERMINATED

The Settlement Agreement may be terminated on several grounds, including if (1) the Court does not approve or materially modifies the Settlement or (2) either as modified by the Court or as a result of reversal or modification on appeal, the Court's Final Order in the case does not satisfy certain terms of the Settlement Agreement. Should the Settlement Agreement be terminated, the Action will proceed between Named Plaintiffs and the Defendants as if the Settlement Agreement had not been entered into, including the pending appeal on the motion to dismiss.

10. What if I do not want to be part of the Settlement?

You do not have the right to exclude yourself from the Settlement. The Settlement Agreement provides for certification of the Settlement Class as a non-opt-out class action under Federal Rule of Civil Procedure 23(b)(1) and the Court has preliminarily determined that the requirements of that rule have been satisfied. Thus, it is not possible for any Settlement Class member to exclude themselves from the Settlement. As a Settlement Class member, you will be bound by any judgments or orders that are entered in the Action for all claims that were or could have been asserted in the Action or are otherwise released under the Settlement. Although you cannot opt out of the Settlement, you can object to the Settlement. See the answer to Question 13 below.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in the case?

The Court has appointed the law firms Stember Feinstein Doyle Payne & Kravec LLC and Harwood Feffer LLP as Class Counsel for Named Plaintiffs in the Action. You will not be charged

directly by these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

12. How will the lawyers be paid?

Class Counsel will file a motion for the award of attorneys' fees and expenses. This motion will be considered at the Fairness Hearing. As previously described, Class Counsel have agreed to limit their application for an award of attorneys' fees to not more than 33⅓% of the Settlement Fund, plus reimbursement of expenses incurred in connection with the prosecution of the Action. This motion will be filed with the Court no later than two weeks before any objections by class members are due.

13. How do I tell the Court if I do not like the Settlement?

If you are a Class member, you can object to the Settlement as a whole or any part of it, including the application for attorneys' fee and expenses, and/or the compensation sought by the Named Plaintiffs. In order to object, you must send a letter or other written filing, providing proof of membership in the Settlement Class saying that you object to the Settlement. Be sure to also include your name, address, telephone number, signature, and a full explanation of all reasons you object to the Settlement and any evidence or other documentation supporting your objection. **Your written objection must be served on the following counsel and must be postmarked by no later than April 20, 2012.**
